Attention: Mr. Abid Al Dulemi

Contract R881/3C2: Comprehensive Improvement of the parallel Roads. Phase 3C2
Subject: Prequalification document of M/s. Arar Infra Contracting Co. L.L.C
as Sub-Contractor for 300 mm dia DEWA WD Network

Dear Sir,

With reference to your letter no. 205/881/3C2/17R008 dated on 01 Aug 2017, regarding the above mentioned subject and the above mentioned references, please note that your request to appoint **M/s. Arar Infra Contracting Co. L.L.C** is approved to carry out the Works related to DEWA water pipe lines Networks up to 300mm dia as per your request subject to compliance with the following conditions:

- DEWA reserves the right to withdraw this approval if the subcontractor's performance is not satisfactory.
- The consultants and main contractor will not be relieved of their respective contractual obligations.
- Strict Adherence to the standards Quality measures of works
- Satisfactory performance in terms of Quality on the site
- Pipe and other material required for the works shall be new and the contractor shall submit sample/catalogues for the same, along with the shop drawing for our review and approval.
- Work shall be carried out in compliance with our standards and specifications as well as RTA/DM regulation.
- Material for existing Network shall be available prior to the commencement of work in case of any breakage or leak.
- List of staff shall be provided prior to the commencement of the work for DEWA's review and comment.
- Submit shop drawings for our review and approval.

Moreover, for the main connection, please apply online through DEWA system to execute the work.

Yours faithfully,

ABDULAZIZ JASSEM ALMARZOUQI
Senior Manager - Engineering Water

☐ As stated above

Attention: A.B. Mohamed Kasim - Project Manager

Project: Utility Works for Project Meydan One Development Roads and Infrastructure Works – Phase 1A, Dubai UAE

Subject : Letter of Intent (LOI)

Dear Mr. Kasim,

Reference is made to the abovementioned subject and further to your offer submitted vide AKC/RMB/IP-95/ES-003 dated 25th Nov 2019, We M/s RMB Contracting LLC, hereby intend to award you the following Utilities Scope of works.

The Utilities Subcontractor (M/s ARAR Infra) intended Scope of Work is partial Infrastructure & Utilities works of the Project (Phase 1A) and as detailed in Utilities Subcontract Agreement, including temporary works, supply of all temporary and permanent material, complete installation, completion, testing and commissioning and handover of the following works:

- 1) Trail Trenches, Site Clearance & Ground Investigation (as required and as applicable)
- 2) Sewerage Works – Partial
- 3) Drainage Works – Partial (Excluding Lifting Station Works)
- 4) Irrigation works including TSE Lines Complete

As you are aware part of the Utilities works were carried out by previous Utilities Sub Contractor, prior starting any works at site you are required to carry out joint survey (with M/s RMB and previous utilities subcontractor) and all the details from Site / current conditions shall be recorded and signed off by the Authorized representatives from all parties.

This is for your information and necessary action.

Yours Faithfully,
For RMB Contracting LLC

Yousef Al Moughrabi

For the attention of Mr. A.B. Mohamed Kasim – Contractor's Representative

Dear Sirs,

PROJECT: SH-001 (S004) DUBAI HARBOUR
CONSTRUCTION OF VEHICULAR BRIDGE BETWEEN ZONE 1 AND ZONE 2

SUBJECT: CONSTRUCTION OF CANAL CROSSING (BETWEEN ZONE 3 & 4)
SUBCONTRACTOR FOR SUPPLY AND LAYING OF WET UTILITIES SERVICES
CANAL CROSSINGS - LETTER OF INTENT

With reference to your quotation ref. AICC/DBB/TQ/ES-0369E dated 12th June 2019 and our subsequent discussions held at our office, we are pleased to confirm our intention to place an order with yourselves for the supply and laying of utility service as per the attached drawings and specification. The letter of intent is subject to the following conditions:

1. Approval of yourselves as the Subcontractor for supply and laying of wet utility services by the Engineer and the Employer.
2. The Unit rates shall be as per the attached BOQ.
3. The quantities given are indicative only and can only be finally determined as per the quantity executed on site. The quantities may also be varied up or down by:
 - a. Over measure / under measure.
 - b. Instruction issued by the Contractor to increase or reduce the quantities to be delivered.
 - c. Instruction issued by the Engineer under the Project.
4. All the materials of wet utility services fully conform with the Contract drawings and specifications and to the satisfaction of the Engineer / Client / Authorities. Any non-compliance in the quality of the supplied materials and works carried out shall be redone / corrected by the Subcontractor with immediate effect without any cost implication to DBB.
5. The rates quoted by you shall be fixed for the project duration (i.e.) 31st December 2019 or until the works are completed, thereafter to be mutually agreed based on the fair market price.
6. Documents required for payment shall be Work Inspection Requests approved by the Engineer / Employer.

Subject: Letter of Intent (Subcontractor for Utility Works)

Reference is made to your offer dated 3rd September 2018 with the reference number AICC/FALA/JQ/ES – 198 C relating to Utility Works. We are pleased to inform you that **M/s. Arar INFRA Contracting Co L.L.C** has been appointed as **Subcontractor** for the above mentioned project.

Further to the above, the approximate order value of the project is **AED. 4,557,576.00 (AED. Four Million Five Hundred Fifty Seven Thousand Five Hundred Seventy six Only)** excluding the 5% VAT based on the approximate quantity.

In accordance to the Main Contractor Specifications of DEWA and RTA. This letter of Intent is subject to the following terms and conditions:

1. **M/s. Arar INFRA Contracting Co L.L.C** and its products have to be approved by the Employer (DEWA/DM/ETISALAT/RTC).
2. Materials shall be supplied with all relevant test certificates and in accordance with attached project specifications.
3. All tests required by the client shall be carried out by an approved third party laboratory where all testing costs shall be borne by the supplier.
4. Rates shall be fixed till the completion of the project.
5. Supplier to provide all necessary shop drawings at his own cost for the Engineer/Authority approval.
6. Technical Submittal for all Utility Works to be submitted within 2 days after signing this letter of intent.
7. Subcontractor shall not raise any claim for additional payment against the Contractor for any reason whatsoever (e.g. material or labor prices hikes, change in quantities up to 15%, idle resources, loss of profit and requirements imposed by the (DEWA/DM/ETISALAT), and save Contractor harmless from any third party claim related and incidental to the supply works and activities. In case Contractor has to pay any fee, penalty, fine, compensation to any entity or authority due and incidental to the subcontract works and activities, Contractor shall recover the same amount through deductions on the Subcontractor's payments.
8. A penalty of 1.0% of the order value, will be imposed per day of delay caused by the Subcontractor. This is subject to a maximum upper limit of 10% of the order value.

Subject : Letter of Acceptance (LOA) – Sub-Contract for DEWA Water Works up to 300 mm Dia.

Dear Sir,

We refer to your quotation ref: AICC/CSCEC/JQ/ES-065B dated 25th March 2017 and our subsequent discussions / negotiation on the same. China State Construction Engineering Corporation (Middle East) L.L.C. (hereinafter referred to as "CSCEC ME" or the "Contractor") is pleased to award the sub-contract for DEWA Water Works up to 300 mm Diameter for the above mentioned project to M/s **Arar INFRA Contracting Co. LLC** (hereinafter referred to as "Arar INFRA" or the "Sub-Contractor") subject to the conditions precedent as detailed below. Further to the above, the Sub-Contractor shall provide within a week from the date of this Letter of Acceptance ("LOA") all supporting documents required to obtain Sub-Contractor's approval from M/s. Roads & Transport Authority – RTA (hereinafter referred to as the "Employer"), Parsons Overseas Limited (hereinafter referred to as the "Engineer" or the "Consultant") and all the other concerned authorities such as Dubai Municipality (DM), DEWA etc. If the Sub-Contractor fails to obtain the approval from the Engineer/Employer within one week from the date of this LOA, the Contractor reserves its rights to revoke this LOA at any time by giving written notice and then the Sub-Contractor shall have no right to claim against the Contractor for any losses or additional payment.

1.0 SUB-CONTRACT SUM

The estimated value of Sub-Contract Works is AED 4,546,349.24 (UAE Dirhams Four Million Five Hundred Forty Six Thousand Three Hundred Forty Nine and Fils Twenty Four Only) as shown in the attached Bill of Quantities. The final value shall be ascertained based on the agreed unit rates and the measured actual quantities of work executed and as approved by the Engineer / Employer / Contractor.

The agreed unit rates stated in the Bill of Quantities shall remain valid and fixed until completion of the above mentioned project. No adjustment to the rates will be allowed for any fluctuations in the cost of labour, materials, equipment and/or services, taxes, interest, levies, etc. that may occur during the Main Contract Works.

Letter of Award GV-008-2016-PROJ – Infrastructure Modification, Water & Drainage Works (“LOA”)

Dear Mr. Kasim,

Global Village is pleased to inform you that Arar Infra Contracting Co. L.L.C (the “**Supplier**”) has been selected to provide the works/services stated in Particulars Item 1 (the “**Deliverables**”) on the following terms:

1. These terms comprise the parties’ Deliverables contract unless and until they sign Global Village’s standard long-form supplier agreement (an “**Agreement**”). Whether or not an Agreement is required is stated in Particulars Item 2.
2. If the parties sign an Agreement, these terms become part of and modify it, except for those which either duplicate, or are unintentionally inconsistent with, their Agreement counterparts, in which case the Agreement’s counterparts prevail.
3. The terms of the documents listed in Particulars Item 3 (together the “**Proposal**”) as amended in Particulars Item 4, form part of this LOA. A copy of each Proposal document is attached for reference.
4. If the Supplier meets its contractual Deliverables obligations, Global Village will pay it the Contract Sum stated in Particulars Item 5 after receiving the Supplier’s undisputed invoices, which will be issued in accordance with any Progress Payment schedule stated in Particulars Item 6.
5. The Supplier will supply the Deliverables from the Supply Start Date stated in Particulars Item 7 until no later than the Supply Finish Date stated in Particulars Item 8.
6. The Supplier must maintain insurance throughout the Supply Term stated in Particulars Item 9, at its own cost, for amounts and on terms that provide adequate coverage against the Supplier’s liabilities under this LOA.
7. All Deliverables must be fit for their stated purpose, their goods must be legally and government authority-compliant and free from defects in design, material and workmanship, and their services must be performed at the best-practice level of care, skill and diligence in the Supplier’s industry, trade or profession.
8. The Supplier will pay Global Village the Default Damages stated in Particulars Item 10 for any default or other breach by the Supplier or any third party acting for it under this LOA as reasonably determined by Global Village or its appointed consultant, and the Supplier acknowledges that this amount is a reasonable pre-estimate of Global Village’s loss and damage.
9. If the Deliverables are construction works, per Particulars Item 11:
 - a. Global Village will:

TO : M/S ARAR INFRA Contracting CO.L.L.C. LLC
PROJECT : DEVELOPMENT OF BURJ VISTA
EXTERNAL ACCESS ROAD AND LANDSCAPING
LOCATION : DOWNTOWN DUBAI, UAE
SUBJECT : LETTER OF ACCEPTANCE

Dear Sirs,

With reference your quotation Ref: Ref: AICC/EM/JQ/178E dated 13 December 2016 "MECHANICAL WORKS" for carrying out and completion of the Burj Vista External Access Road and Landscaping for the mechanical works (the "Works"); forming part of the project known as Downtown Dubai Development in the Emirate of Dubai.

We hereby accept your Tender/quotation subject to the following:

1. The Works comprise the carrying out and completion of the Burj Vista External Access Road and Landscaping (mechanical works); all as more particularly described in the documents listed under paragraph 5 below of this Letter of Acceptance, and strictly in accordance and conformity with the requirements and provisions specified and delineated therein.
2. The contract sum is AED 1,684,841.91 (United Arab Emirates Dirhams One Million, Six Hundred Eighty-Four Thousand, Eighty Hundred Forty-one and Ninety-One fills) which is fixed lump and the work shall not be subject to re measurement.
3. For the breakdown of the contract sum, refer to appendix No. 1 – The project BOQ.
4. An addition of ten per cent (10%) for overheads and profit shall be used in the valuation of works carried out which are covered by Variation Orders which cannot, in the opinion of the Employer, be valued using the rates and prices (or, where applicable, based on the rates and prices) contained in the Contract;
5. An addition of ten per cent (10%) for overheads and profit shall be added to the cost of materials procured for works carried out on a Day work basis.
6. The Commencement Date shall be the date of your countersignature of this Letter of Acceptance.
7. The Time for Completion for the whole of the Works shall be follow our time schedule and including the Commencement Date, subject to the terms, conditions and provisions of the Contract.

Attention : Mr. Mohamed Kasim- Contractor's Representative

Project : The Living Legends- Road Works

Subject : ARAR-Infra/Nomination for executing Road works of Phase 3

Dear Mr. Mohamed,

In reference to above subject and our meeting yesterday with ARAR representative Mr. Mohamed Kasim Project manager of ARAR Infra.

We Tanmiyat, nominated ARAR Infra to execute the road works in **Phase # 3** in accordance with conditions of the existing Contract for the Phase 2 (that is the approved rates for the Phase-2 will apply for the Phase 3 as well)

ARAR is requested to submit work program up to completion for review & approval.

In the meantime, ARAR is requested to provide us with price list for all pending works by Al Hijaz, and to be executed by ARAR-Infra, to insure real progress.

Please submit to ACE consultant for review & approval.

This is required by today as instructed by Tanmiyat CEO.

Best Regards,
For and on behalf of
Tanmiyat Global Real Estate Development L.L.C

Project : The Living Legends – Infrastructural Networks
Subject : Letter of Intent – Road Works

29 March 2016

Dear Mr. Mohamed,

Further to the amended revised proposal (copy attached) ref. AAI/TG/JQ/122a dated 21 March 2016 regarding the above subject, we hereby confirm our approval of approximate amount of **AED 8,000,000.00 (UAE Dirhams Eight Million only)** for the supply, delivery, installation, construction and maintenance of Road Works compliant with all relevant Authority rules and regulations, at the above referenced project based on the following details:-

1. PAYMENT TERMS:

a. **1,000,000.00 AED** will be paid as an advance against a security cheque.

2. OTHERS:

- a. Contract will be re-measurable basis.
b. Time for Completion will be **60 calendar days** from receipt of this LOI.
c. ARAR has visited the site and fully aware of the site conditions.

Kindly provide the program of Works and revised BOQ with breakdown while proceed with the necessary procurements.

Please note that the rates provided in the **revised BOQ** will be valid for any extra works under Living Legends Infrastructural Network Project.

Contract Agreement will follow in due course.

Yours Sincerely,

For: Tanmiyat Global Real Estate Development LLC

Saeed Rashed Ahmed Saeed Ghalib Alfalasi

QUALITY & HSE POLICY

Arar INFRA

QUALITY POLICY STATEMENT

Arar INFRA Contracting Co L.L.C is committed to supplying Road & Infrastructure construction services of consistent quality that confirm fully with company and statutory requirements and in meeting our clients documented and implied expectations in terms of technical, budget and time compliance.

Every staff member has the responsibility to ensure that the intentions of this policy statement are understood, applied and maintained within their own activity area.

Arar INFRA has made a commitment:

- To use the disciplines of International standard to develop and maintain the processes needed to produce a level of Road & Infrastructure construction and project management of a consistent standard of quality and at competitive cost.
- To foster good relationship with clients by effective communications, quality of work and encouraging feedback.
- To continually improve the effectiveness of the Integrated Management System.
- To document and measure quality objectives and targets through internal audit and management review.
- To deliver construction services in accordance with the specifications and requirements of our clients.
- That every employee constantly aims to improve the overall quality of company's Services
- By adopting this philosophy, the clients of **Arar INFRA Contracting Co**, will be assured of a High Quality standard of completed projects and services in accordance with specifications and Contracts.
- Management has the ultimate responsibility to maintain the quality policy and shall promote all initiatives to attain and improve Quality to give all personnel adequate information and training to enable all tasks to be undertaken with a consistent standard of High quality
- Ensure that excellent relations between the Company and Employees are maintained.

Mohamed Abdul Kasim
Managing Director

HEALTH, SAFETY & ENVIRONMENT POLICY

- *Ensure the education, interest and awareness training of new employees in safe working methods before the assumption of duty.*
- *Ensure that the organization is a safe place, and the environment, facilities, equipment and substances are subject to safe systems of work to prevent risks to health or safety.*
- *Promote personal responsibility and effort on the part of everyone to avoid and prevent health hazards and injuries to themselves and to others who may be affected by their acts or omissions, and to co-operate with the organization to comply with its duties, requirements and statutory obligations.*
- *Ensure the use of defensive driving techniques by car drivers and machinery operators.*
- *Ensure that safety is a time management responsibility.*
- *Health, Safety and Environmental Care are core values of Arar INFRA Contracting Co and a firm basis for our long-term success and business leadership. The health and safety of our employees, and environmental stewardship, continue to be the first consideration in the operation of our business. Our facilities share the common goals of safe and healthy work conditions, pollution prevention, conservation of natural resources, the reduction of green house gases and the implementation of effective waste management practices.*
- *All injuries, illnesses and work-related incidents can and must be prevented. Each of us is responsible for achieving this goal. Safety, health and environmental care must be part of every operation.*
- *We believe that no circumstance justifies a violation of health, safety, or environmental requirements or behaviors that neglect our employees.*
- *Safe work is a mandatory condition of employment in our Company. without question it is every employee's responsibility at all levels.*
- *It is the intent of our Company to comply with all health, safety and environmental Local laws and other requirements.*
- *We will maintain safety, health and environmental management programs conforming to the best practices of organizations of this type with a strong commitment to continual improvement. To be successful, such programs must embody the proper attitudes toward injury, illness and pollution prevention, not only on the part of supervisors and employees, but also between each employee and his or her co-workers. Only through such a cooperative effort can a health, safety and environmental program be established and preserved.*

In ARAR, Managers at all levels of the Company are responsible for:

- *Demonstrating proper safety and environmental behavior at work through their personal example;*
- *Supporting and encouraging safe behaviors by employees and contractors, as well as ensuring that the Company is taking the required actions to prevent unsafe conditions and behaviors in the work place;*
- *Maintaining open, two-way communications with employees on health, safety and environmental issues;*
- *Driving continuous health, safety and environmental improvements at Company work places, production units, and across facilities;*
- *Taking into consideration the possible risks and requirements related to health safety and the environment when making management decisions.*
- *Each employee, without regard to his or her position or profession, must:*
- *Follow all safety and environmental requirements applicable to his or her work, including the proper use of personal protective equipment;*
- *Immediately stop unsafe actions, without regard to who is performing them;*
- *Take all applicable measures within his or her control to eliminate hazards which are discovered in order to protect peoples health and safety. If such measures are not possible the employee must report the hazards to his or her manager;*
- *Immediately report to his or her manager all safety concerns related to the work being carried out, as well as, all incidents which present a hazard to people, production, or the environment.*
- *Display and publicize this statement and review it at least bi-annually.*

NO WORK SHALL BE STARTED IF IT CANNOT BE PERFORMED SAFELY
