Project: Prequalification Approval Request Letter for DEWA Pipeline Sub-Contractor
(M/s. Arar Infra LLC) The Lake Shore Villas- Construction of Gated Community
Villas Development at Plot No. 6454941, Mohammed Bin Rashid Al Maktoum City,
District 11, Dubai, UAE

Subject: Request for Shop Drawing Approval of Proposed Potable Water Network
Layout Plan

With reference to your letter ref. no. DB.826.ST.26.0013 dated 06 April 2026, regarding the above-mentioned subject, please note that your request to appoint Ms **Arar infra Contracting Co LLC** is APPROVED to carry out the water works at the above-mentioned project only, subject to compliance with the following conditions:

- DEWA reserves the right to withdraw this approval if the subcontractor's performance is not satisfactory.
- The consultants and main contractor will not be relieved of their respective contractual obligations.
- Strict adherence to the standard Quality measures of work.
- Satisfactory performance in terms of Quality on the site.

- Pipe and other material required for the works shall be new and the contractor shall submit sample/catalogues for the same, along with shop drawing for our review and approval.
- Work shall be carried out in compliance with our standards and specifications as well as RTA/DM regulations.
- Material submittal approval shall be obtained from **Engineering Water Department** prior to any material order from the manufacturer/supplier.

The performance of your appointed subcontractor shall be observed and our approval will be retracted with immediate effect if their performance is unsatisfactory. Dewa will not be held responsible if your project gets delayed due to the contractor's poor performance.

This is for your info and further necessary action.

Yours faithfully,

Branly Anis Nassour

Dear Sir,

Project R1122/3 - Construction of Roads and Bridges on Al Fay Road (Phase 1)
Pre-qualification of Subcontractor M/s Arar Infra Contracting Co LLC for DEWA Water Works (Distribution)

Reference is made to contractor M/s Gunal Construction Dubai Pre-Qualification Submittal No: PQ-006 Rev-0 dated 07 Feb. 2025 proposing to hire the services of **M/s Arar Infra Contracting Co LLC**, as a Subcontractor to carry out the DEWA water works (Distribution Network) under the subject project:

Kindly be informed that we have reviewed their pre-qualification documents and found them satisfactory.

Since M/s Arar Infra Contracting Co LLC has already got pre-qualification approval from DEWA-WD for RTA projects to carry out the water works, therefore, we recommend them to approve as Subcontractor for project R1122/3, Phase-1, subject to strict compliance to contract requirements.

Your early No Objection in this regard is highly appreciated.

With Best Regards,

PWD 12519 - Request for Prequalification Approval of M/s Arar Infra Contracting LLC
R1122/3 - Construction of Roads and Bridges on Al Fay Road (Phase 1)

Dear Sir,

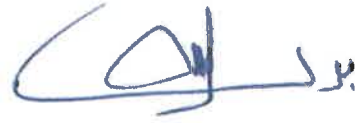

With reference to your letter ref. No **351758-R1122-3-PAR-DEWA-LTR-00002** dated **10th Feb 2025** regarding the above mentioned subject, please note that your request to appoint **M/s Arar Infra Contracting LLC** to carry out **the proposed distribution waterline works**, at the above mentioned project is hereby **approved for above mentioned project only** subject to the following:

- This approval is for the distribution work only (450mm DIA pipelines and below).
- Transmission work to be submitted separately to PWT (Projects Water Transmission) Department for their review and approval.
- DEWA reserves the right to withdraw this approval if the subcontractor's performance is not satisfactory.
- Material submittal approval shall be obtained from **Engineering Water Department** prior to any material order from manufacturer/supplier.
- Strict adherence to the standard Quality measure of work.
- Satisfactory performance in terms of Quality on the site.

- Pipe and other material required for the works shall be new and the contractor shall submit sample/catalogues for the same, along with shop drawing for our review and approval.
- Work shall be carried out in compliance with our standards and specification as well as RTA/DM regulations.

The performance of your appointed subcontractor shall be observed, and our approval will be retracted with immediate effect if their performance is unsatisfactory. DEWA will not be held responsible if your project is delayed due to the contractor's poor performance.
